Cari Commissari,  
inoltriamo la risposta ricevuta pocanzi dal legale rappresentante di Safpet, che conferma la disponibilità di quest'ultima a rinunciare alla "Garanzia" di cui all'art. 6 dei contratti, con ciò liberando Biochemtex da ogni, anche solo potenziale, rischio di claim per difetti del progetto. E quindi, in caso di sottoscrizione della transazione, potrebbe essere definitivamente sbloccato il fondo di Euro 2.800.000,00, previsto a Piano per la commessa in esame.  
Grazie e cari saluti.

Азат,

Привет!

Получил ответа от итальянцев. Их суд просит удалить фразу об обязательстве в пункте 4 в дол. Соглашение:

4. Obligations of the Parties under above Agreement, except for obligations of the Parties under ~~Section 6 “Guarantee” and~~ Section 8 “Confidentiality”, shall be terminated from the entry into force of this Supplementary Agreement. ~~The terms of the Parties' obligations under Section 6 “Guarantee” and Section 8 “Confidentiality” shall remain in force and comply with the schedule specified in the sections.~~

Мы уже договорились добавить это обязательство в новое соглашение между СафПэт и Химтекс Шанхай, и поэтому не будет никакого отрицательного влияния на Вас.

С уважением,

**Ricky/任威**
